

OUR MEMBER: AVEBE Kartoffelstärkefabrik Prignitz / Wendland GmbH

PRODUCTS:

Potato starch
Paselli (food fibres)
Protein-containing animal feed
Potato pulp as animal feed

As a subsidiary of Cöoperatie AVEBE U.A., a co-operative based in the Netherlands, KPW was founded in 1996 from Prignitz Stärke and Wendlandstärke and has been trading under the name AVEBE Kartoffelstärkefabrik Prignitz/Wendland GmbH ever since. AVEBE Kartoffelstärkefabrik is an innovative company that extracts potato starch, potato protein and potato fibre from a natural raw material and uses it as an additive in many foods.
