custom system solutions for plant-based alternatives to meat, sausage, and fish products, as well as cheese, dairy products, and deli foods

Planteneers GmbH, headquartered in Ahrensburg, Germany, develops and produces custom system solutions for plant-based alternatives to meat, sausage, and fish products, as well as cheese, dairy products, and deli foods. As a member of the independent, owner-operated Stern-Wywiol Gruppe with a total of 13 sister companies, Planteneers can make use of many synergies. The company has access to the knowledge of some 125 R&D specialists and to the extensive applications technology of the large Stern Technology Center in Ahrensburg. Part of the Technology Center, the Plant Based Competence Center formed in 2019 is the creative pool for alternative solutions, and the heart of Planteneers. Customers also benefit from the Group's international network of 20 subsidiaries and numerous qualified foreign representatives in the world's key markets, as well as shared production facilities and the Group's own logistics resources.
