

OUR MEMBER: Horst Bode Import-Export GmbH

BODE NATURKOST

PRODUCTS:

Worldwide direct import of organic raw materials
such as
dried fruit, nuts, oilseeds and legumes
Full range of organic dried goods, from spreads to
seasonings

Founded in Hamburg in 1960 by Horst Bode, the family-owned company Bode Naturkost operates as a global direct importer of organic raw materials. Its many years of experience make it a reliable trading partner with short delivery times, worldwide export, its own mixing plant and modern packaging technology. In addition, the high quality of its products is a daily endeavour and an important pillar of the company's culture.
