

# OUR MEMBER: Nungesser

PRODUCTS:  
High-quality raw materials & ingredients for  
the food industry

Nungesser Germany GmbH is part of the Nungesser Group, an internationally active Swiss family-owned company that has been a reliable partner for the holistic procurement of raw materials & ingredients for the food industry in Europe since 1775. The company combines direct origin partnerships with a fully integrated supply-chain approach and offers customers a broad selection of seeds, nuts and pulses from a single source. Through close cooperation with producers, control of the entire value chain, and a consistently sustainable and organic-focused sourcing strategy, Nungesser Germany ensures high quality, secure availability and maximum transparency.
